enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 6,763,298. This agreement to run with any patent granted on the above-identified application and to be binding upon the Assignee, its successors and assigns.

Assignee does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of Patent No. 6,763,298 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The Commissioner is hereby authorized to charge the fee for this Terminal Disclaimer, as well as any additional fees associated with this filing, to Ford Global Technologies, LLC Deposit Account No. 06-1510. A duplicate of this paper is enclosed for that purpose.

Respectfully submitted,

David Lee Boggs et al.
